

"Ka Palé » - « Talking »  
A/C- Paroles: Corinne Pierre-fanfan / Arrangements Ruddy Boa

Talking, always talking so you can touch people's heart  
Talking, always talking so they can love according to me  
Talking, always talking, your words are beautiful and so smooth  
Talking, always talking, but you're shallow

Talking, always talking, so you won't have to show who you are  
You won't look inside of you to discover who you truly are  
Talking, always talking, to hide what bothers you

Talking, always talking,  
But you're talking for the sake of talking

Talking, always talking so you can touch people's heart  
Talking, always talking so they can love according to me  
Talking, always talking, your words are beautiful and so smooth  
Talking, always talking, but you're shallow

Ha, ha, ha, ha ...

You're asking why and what you are missing  
It's life that you are missing  
The more you want to guard it  
The more it's running away  
Look I know you're scared  
You're afraid of silence  
And the more you think about it the more you flee  
And the more you flee, the more silence takes over  
You talk and flee  
Trying to fill the emptiness inside of you

Mé ou ka palé, palé, palé, palé palé wo (4 fois )  
But you're talking for the sake of talking

You do so many things but it's like you didn't do anything  
You're saying so many things but it's like you didn't say anything  
You don't have time to breathe but breathing means living so  
How will you do if you're suffocating  
How will you do if you're suffocating

But you're always talking  
Even when you don't want to  
Always telling  
Where you are, where you go and even what you don't want to tell

What you don't want to tell  
You're still telling it  
You're still telling it

What don't you want to tell  
When you're still telling  
What don't you want to tell  
When you're still telling

Talking when you're at your mom's  
Talking when you're at your dad's  
Talking when you're at your mom's  
Talking when you're at your brother's  
Talking when you're at your mom's  
Talking when you're at your dad's
